## **MISSING ELDERLY FRISCO RESIDENT**

**FRISCO, TX** – The [Frisco Police Department](#) is issuing a Silver Alert for 80-year-old James Charles Hunt, who has been missing since last evening from his residence in the 9700-block of Carmel Valley Drive. Hunt is borderline diabetic and needs regular medication, and has a history of memory problems and dementia.

Hunt is believed to be in a green 1997 Plymouth Voyager with Texas license plate BJ5 S998. He does not have a driver's license and it is unknown where he may be heading. He is described as a white male, approximately 5'10" tall weighting 220 lbs, and was last seen wearing a blue and white t-shirt, blue slacks, and sneakers. His appearance is most-likely disheveled and his right leg may be swollen due to a recurring blood clot. A picture of Hunt is attached to this press release.

Anyone with information regarding James Hunt is asked to contact the Frisco Police Department at 972.292.6010 immediately.

*Background: In response to legislation enacted in 2007, the Texas Department of Public Safety implemented the Silver Alert network as a means to assist law enforcement in the recovery of missing senior citizens statewide. Silver Alerts typically resemble those alerts issued for abducted children (AMBER Alert), using similar notification technologies to alert the public. [ [More Info](#) ]*
